

Summer Location

This summer we will be offering our “**Passport to Adventure**” program at our Underwood location. Our Underwood location offers a large park-like setting giving the children and staff plenty of room for large motor activities; such as, kick ball, basketball, badminton, baseball, water play, obstacle courses, tag, volleyball, etc.

After we are done playing outside, the children will be able to come into a large classroom with board games, manipulatives, block area, comfy library area, art and more while in the comfort of air-conditioning.
