

Summer Location

This summer we will be offering our **Kids Club Summer Program 2023** program at our St. Jude's location. Our St. Jude location offers a large setting giving the children and staff plenty of room for large motor activities; such as, kick ball, basketball, badminton, baseball, water play, obstacle courses, tag, volleyball, etc.

After we are done playing outside, the children will be able to come into a large classroom with board games, manipulatives, block area, comfy library area and art.
